

**Town of Ellington
Building Department**

What Building Permits also require Zoning Permits?

- The construction, enlargement, addition, or relocation of any building structure.
- Any alteration or repair that will change the use of all or part of the structure.
- All accessory buildings, decks and pools.
- Signs both free standing and wall mounted.
- Installation of mechanical-electric equipment outside of the building footprint. (Oil tanks, LP tanks, transformers, gas pumps, etc.)
